For the soldiers of the First regiment, Company E, camped at the ore docks, the Y. M. C. A. has arranged a program at their mess hall for Friday evening. Local talent, together with some of the soldiers' talent will constitute the program. The militiamen at their camp have been busy preparing their program and erecting a stage.

West End talent will be used to a considerable advantage and talent from one of the West End schools also will be used.

The program in part will consist of: Reading, Miss Irene Long; violin solo, Miss Hulda Hanson; reading, imitation of Harry Lauder by "Scotty" Galbraith, who delighted men on the border with his comic Scotch songs; Eetsey Foss-dialogue, Monroe school; Godfrey Azine will sing popular solos.

The soldiers are planning on a good time and many visitors are expecting to attend this affair especially for the soldiers in the mess hall of Company E.
