## \$58,000 FOR PIPE

Commissioners Appropriate Big Sum for Water and Light Department.

### STREET CONTRACT IS LET

Rogers & McLean Are Awarded Improvement Job on Their Bid of \$4,819.

The sum of \$58,000 was appropriated by the city council for the purchase of cast iron pipe for the water and light department at the meeting of the commissioners yesterday.

Subject to the customary one week's delay, Rogers & McLean were awarded the contract for improving Dexter street, Morningside avenue, Everett street, Livingston avenue, Rose street, and Park street in Morningside tract, on their bid of \$4,819. The prices, Commissioner Farrell stated were \$800 below the bids submitted when the work was first advertised three weeks ago.

One thousand dollars was appropriated for the purchase of an automobile for the police department.

Provide for Nurse.

A resolution was adopted authorizing the employment of an additional nurse at the isolation hospital at a salary of \$35 a month.

The council ordered the improving of Seventh avenue East from Eleventh to Thirteenth streets, 20 feet wide; also the oiling of Fourth avenue East from Seventh to Ninth streets and Fourth street from Twenty-first to Twenty-fifth avenue West.

Petitions were presented for the construction of a sanitary sewer in Seventh street from First to Second avenues West, for the grading and surfacing of Twelve-and-one-half avenue East from Sixth street to Sixth alley and the construction of a sanitary sewer in Anoka street from Maxwell to Kolstad avenues.

Objection to the alleged maintenance of a dumping ground at Eighteenth avenue East between Eighth and Ninth streets was communicated to the council by petitioners of that section.

Victor Stearns of Stearns & Hunter appeared before the commissioners to protest against assessments against property owners on Vineland street.
