Torah are putting forth a lot of time and effort to make the girls' vacation as delightful as possible. Bathing, boating, fishing and dancing constitute some of the recreational features, and complete satisfaction is assured to those who are planning on spending their vacation at the Y. W. H. A. cottage. The patrons may also be interested in knowing that the cooking is being conducted on a Kosher basis under efficient supervision. Mrs. Moses Bloom is the first chaperone for the season.

**JUST SEVEN WEEKS MORE FOR THAT BIG EVENT ON AUGUST 26th.**

**"BOX" COLLECTION ON SOUTH SIDE.**

The results of the first collection of the "Boxes" placed with the girls in behalf of the War Sufferers are indeed most gratifying as the collections for the Southside only amounted to \$35.28 (with more to come in) thanks to the untiring efforts of Captains Sophie Sternberg, Hannah Ravitch, Celia Bachman, Hilda Dimond, Charlotte Scheiner, Florence Rabinowitz, Esther Pink, Rose Gottlieb, Esther Schanfeld, Gertrude Graiss, Tess Woolpy, Jennie Harris, Lena Barron, Rosa Braman and Adele Zalk.

Collections were also to be made in other parts of the city this week and no doubt reports will soon be made by the Misses Stella Metzger on the Westside and Jennie Fernberg of North Minneapolis.

**THE ATLAS CLUB EXCURSION.**

The Atlas Athletic Club wishes to announce their 5th annual excursion on August 26th on the steamer Red Wing and Barge Manitou. Watch the columns of the American Jewish World for further particulars.

**JULIUS SHANEDLING**

### Keep Books and Papers Away from the Telephone

Don't pile books or magazines around the telephone. They may be pushed under the receiver and put the service out of order on your line.

If the receiver is raised so that its weight does not hold the hook down the signal is flashed in front of the operator the same as when you make a call.

Failing to get an answer to her repeated requests of "Number, please," the operator supervising your line concludes that your telephone is "out of order."

To the other operators trying to get your telephone it is "busy" because your receiver is off the hook.

If you keep books and papers away from the telephone they will not be crowded under the receiver and cut off your telephone service.
