#### A COMMUNICATION.

Editor American Jewish World,

Dear Sir: The ministers of the city have been requested by the Librarian of the Minneapolis Public Library to make a call for books in good condition, and of general interest, same to be forwarded to the various encampments, for the use of the soldiers. There will probably be a generous response to this appeal. It occurs to me that books of specifically Jewish interest would be welcomed by the Jewish soldiers. Indeed, I have been assured that some ten such books already taken out to Fort Snelling, have been eagerly welcomed by the Jewish men there. May I request any of your readers who have on hand books of Jewish interest to communicate with me, and if the books are found to be suitable, I shall see that they are taken to the Fort where they can be used most effectively.

Cordially yours,  
RABBI C. DAVID MATT,  
915 14th Ave. So.

In the course of the last few years the Davis Chair has made its entry into many homes in the Twin Cities where the best in furniture is desired. It is manufactured by the Davis Chair Co. at Minnesota Transfer, Midway between Minneapolis and St. Paul and is on sale at all the better furniture stores in the Twin Cities and the Northwest. Mr. A. Davis of Minneapolis has recently made possible the development of his business on a large scale by obtaining the co-operation of Mr. Nathan Ginsberg of this city. They are now manufacturing the better grade rockers and chairs on the market, and are prepared to meet all demands in style, quality and quantity. So when in need of chairs and rockers you may safely call for the Davis Chair, and be certain of getting the best.

#### "SHE MUST MARRY A DOCTOR," AT THE TALMUD TORAH.

The long looked for playlet by Scholem Alechem entitled "She Must Marry a Doctor," will finally be produced in Minneapolis at the Talmud Torah early in September. Owing to the fact that Dr. Barron, who has the leading part in the playlet, may at any moment be called to the front, it is absolutely necessary that the plans be hurried along. Therefore we may look forward to a fine program, including several instrumental and vocal numbers. Watch these columns for further particulars.

#### Y. W. H. A. PICNIC.

The members of the Y. W. H. A. spent a most enjoyable and interesting day on Sunday, Aug. 5th, when the first annual outing of this organization took place at Crystal Lake. Other unique games were carried out very successfully. The Misses Gertrude Silber, Emily Roberts, Ida Fishman, Rose Share and Minnie Berman had charge of the arrangements.
