

NOTICES MAILED FOR FIRST U. S. DRAFT ARMY

Ivor Linder of Proctor, is First Man Called for Examination in St. Louis County.

Forty-three per cent of those who will answer the first call, in the first county division, outside the city of Duluth, are eligible to military service in the draft army, based on a careful check of the registration cards by the board.

Notices were mailed out yesterday to 318 in the order of their liability. Fifty of this number are called to report for physical examination at 9 o'clock next Thursday morning, 50 more will be examined Friday and an additional 50 on Saturday, the balance going over until the following week.

The quota for the first county division to make up this quota, of the 318 who will answer the first call. Out of those who will be examined this week 69 are eligible, 53 have dependents, 31 are aliens, 7 are likely to discharge because of physical qualifications and there is one German.

Of those calculated as eligible fifty per cent claimed dependent parents in European countries, but it will be impossible for them to obtain affidavits from their parents within the 10 days' limit required to prove dependency after the mailing of the notice. In Tolvola township in the first county district every registrant claimed exemption. Dependency in the enumeration was based only in the case of a married man, and vocational exemption, either agricultural or industrial was given no consideration, this being a matter for the district board to decide.

In supplying the first call for the first county division only one and 2-3 pages of the master list were gone over and then three more than were needed in the first quota were obtained.

Confirmation of the appointment of Dr. H. C. Peabody as examining physician was mailed yesterday and will be received today. He will be assisted by Dr. A. T. Laird whose name was forwarded to Governor J. A. A. Burnquist yesterday. Call notices for both Thursday and Friday were mailed yesterday to come within the five day limit. The calls for next Saturday will be mailed tomorrow.

Many of those in the first quota are Proctor residents and in railroad employ. They have been listed as eligibles but since they are engaged in many cases in transporting iron ore, they may be classed as engaged in an industrial vocation for national defense.

Ivor Linder, the first man called who had the famous "258" is not an eligible, being a married man with children dependent on him for support. He is a resident of Proctor.

The first county district outside the city, which is also the first in St. Louis county to mail out notices and will conduct the first examinations in the county, is composed of Fred Ward, chairman; H. H. Gilderman, clerk; Dr. H. C. Peabody, physician, and Warren E. Greene, legal adviser. The board will meet tomorrow morning when Dr. Peabody will take the oath of office.

The county division, outside the city known as Duluth county division No. 1, is comprised of Proctor, Brookston, Ault, Cedar Valley, Tolvola, Kelsey, Cotton, Meadowlands, Northland, Gnesen, Town of Duluth, Van Buren, Alborn, New Independence, French, Halden, Floodwood, Culver, Conosis, Rice Lake, Lakewood, Prairie Lake, Fine Lakes, Solway, Herman and Midway.
