

Problem Faces City Commissioners In Fixing Court Budget

WITH Superior dry and Duluth dry what will the returns in fines and costs be from the municipal court?

This is the question that Fred J. Voss, commissioner of finance is trying to solve. An estimate of the amount to be returned by municipal court is necessary in making out the budget for 1919 and as it is getting to be along about that time of the year, Commissioner Voss is highly interested in the patronage accorded that institution.

During 1917, \$47,484.82 was received in fines and fees which went to defray some of the city's expenses. Just what the return will be in 1918 can not now be estimated. It is believed that with Duluth and Superior dry, the fines and fees will amount to much less—but how much less is the question.

The Soldiers' "Comfort Kits"

Are not complete without a box of Allen's Foot-Ease, the antiseptic powder to shake into the shoes. The Plattburg Manual advises men in training to shake Foot-Ease in their shoes each morning. It takes the friction from the shoe, freshens the feet and gives instant relief to corns, bunions, callouses and aching, swollen, tender feet. Allen's Foot-Ease has been the standard remedy for over 25 years. Try it today and mail some packages to your friends in Army and Navy.
