

# News Tribune Fire Relief Fund Closed With \$27,413.33

THE News Tribune fire relief fund reached a total of \$27,413.33 last night, which amount will be turned over to the appointed Red Cross committee in charge, bringing the fund to a close. As previously announced this paper will continue to receive and pay over any subscriptions sent to this office. At no time, however, has the News Tribune solicited subscriptions for this fund, it being preferable that all subscriptions now be sent directly to J. W. Lyder, Red Cross treasurer, Northern National Bank building.

Included in yesterday's subscription is a total of \$10,400 contributed by the retail merchants of Duluth which was turned over to the News Tribune fund, making the amounts received and not heretofore acknowledged as follows:
