1,000 AT FETE OF ZIONISTS

Range Towns Send Delegation to Picnic in Billings Park.

One thousand people attended the fourth annual picnic given by the Zionists of Superior yesterday on the third point at Billings park. Of this number many representatives from the range towns came by rail and auto road.

"Beyond our expectations," said Charles Arinovitch, president of the Superior branch of the Zionist organization of America. "As you can see, we are having a gay time and the weather man was very good to us."

The refreshment tent was bedecked with three American and one Zionist flag that flew over its top. This place was a scene of thirst-quenching activity.

The ice cream cones and bottles of pop and "sodey" water sold rapidly. A large amount was realized from these two places of business that will be forwarded to New York and placed in the general fund for constructive work to be done in Palestine.

Young ladies sold the colors of the Zionists—blue and white—to which was attached a button bearing the picture of Dr. Herzl, the founder of Zionism. Those who sold buttons were: The Misses Sara Lipman, Betty Cohen, Edith Lasky, Elsie Weinstein, Helen Weingarten and Berdie Weingarten.

Dr. Maurice Lefkovits from Duluth was on the grounds but unable to give a talk because of throat trouble.

The committee in charge were: Refreshments, Charles Arinovitch, chairman; sports and prizes, Ed Luyre, chairman; publicity, Rae Schneider, chairman; badges, Mrs. E. Lasky and Mrs. H. Cedar; park, I. Dorf, chairman; sale of novelties, Sam Lurye, chairman; music, Abe Aroka and Harold Lasky.
