Program to be Held at City Hall.

Flag Day in St. Paul this year, to be held on June 14th, will take on a double aspect, namely the patriotic display of the American Flag, and second the boosting of the ideal of citizenship in the Country in which one dwells, impressing upon aliens the advantages of citizenship. The program for the day will be in charge of the local Americanization Committee, under G. B. Wollan, secretary, to the Mayor. Appropriate exercises have been arranged for Saturday afternoon, at 2:30 o'clock, to be held in the Council Chamber at the City Hall and Court House. Judge Wil-

lis will deliver a talk on "Citizenship." Major Robinson with his staff of deputies from the office of the Clerk of District Court, will be on hand, with interpreters of the various foreign languages, for the purpose of explaining to the aliens present the manner in which to acquire citizenship. It is hoped that a goodly number of aliens will appear for the purpose of taking out their first papers.
