

SIMPLICITY IN DECORATIONS

CHISHOLM SCHOOL PLAN

CHISHOLM, April 4.—Simplicity will mark the decorations and preparations for the Junior-Senior ball this year, to take place on April 12 at the high school gymnasium. All funds will be donated to the local Red Cross chapter.

Flags will be used exclusively in decorating. With the exception of the music there will be no expense, so that all money possible may be given over to patriotic purposes. Even the programs and invitations have been made by the students themselves, hand printed in the school print shop.

Miss Gertrude Holler, class advisor, anticipates an even larger attendance than ever before. Miss Rita Lewis, president of the junior class, has charge of several committees. She is assisted by Claude LaLond, chairman of the committee on arrangements.
