

FORMER ARMY MEN WILL STRENGTHEN HIBBING ELEVEN

HIBBING, Sept. 10.—The register of the junior college shows a number of former ex-service men who have returned to resume their studies. The men are Dana Butchart, George Imbertson, John M. Eachin, Everett Pingrey, Morris Wolfe and Arthur Foster.

George Imbertson, a graduate of the local high school, has registered. Imbertson is a former member of the high school football team and should prove to be a valuable addition to the college squad. Imbertson is a veteran of the American expeditionary force and saw service on the Meuse-Argonne front in France.

The football spirit at the college is very strong and a strong team is looked forward to. Games will be played with the Superior normal.
