## Do Not Buy Furniture Until You Have Compared Prices

ALEX J. LURYE—formerly a member of the Lurye Furniture Co., Superior, wishes to announce to his many friends and acquaintances as well as the public in general, that he now owns and operates the

and offers his entire stock of Furniture, Stoves and House Furnishings at Prices that Cannot Be Duplicated.

Unquestionably you want to get the most for your money—then why not follow this advice. Certainly it would be poor business policy on my part, to make the Bold Face Statement above, were I not of the firm belief that my prices are lower than you will find anywhere else in the Twin Ports, on the same character of merchandise. Would I not simply incur your displeasure by bringing you way out to West Duluth, if you found that your trip was unprofitable? Of course I would, and I know it. As a matter of actual fact, how do you suppose I would exist in such a location, much less grow, as the business is growing, if I did not offer you more for your money than the other establishments? And why would people come to West Duluth from Superior and vicinity if such were not the case? If for no other reason, come out of curiosity. You'll find yourself well repaid for having done so.

#### BETTER THAN WHISKEY FOR COLDS AND FLU

New Elixir, Called Aspironal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter if Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspironal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common peoples as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried. All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal and tell him to serve you two teaspoonsful with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.  
When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Advertisement.

#### THE STREET RAILWAY

With a uniform fare for all distances, it has virtually abolished the industrial slum and overcrowded tenement district. It has reduced your cost of living by enabling you to live in the suburbs, where homes are less expensive and where there is room for a garden.  
It has enabled you to bring up your family in decent, healthful surroundings.  
It cannot keep this up on the fare of three years ago. The uniform fare must ultimately be increased, assistance received from general taxes or the zone system adopted.  
By helping your street railway, you help yourself.
