

## \$15,000 STORE UNDER WAY IN NEW SOUTH HIBBING

HIBBING, Sept. 28.—Confidence in the future of that part of new Hibbing south of Railroad street is shown by E. H. Edelstein, who is erecting a \$15,000 store building on Third avenue South.

The encroachment of the mine which is causing the vacation of Hibbing proper will now make it necessary for Edelstein to move his furniture business now located at 111 Pine street. The superstructure of the new building will be completed before winter, the owner believes.
