

FETE PLANNED FOR MUSICALE

Mrs. A. M. Marshall to Be Hostess at Informal Gathering.

A reception and program for the associate members of the Matinee Musicale will be given at the home of Mrs. A. M. Marshall, 2605 Greysolon road Tuesday afternoon at 3:30. The associate membership of the club is unusually large this year and includes all Duluth music lovers and these social meetings are planned to bring this large body of representative women together for a closer acquaintance.

The program for the affair includes two trios played by Mrs. Harry George (flute), Mrs. J. N. McKindley (piano), Morris Cohen (violin); a group of songs by Mary Syre Bradshaw and a group of piano numbers by Mrs. Robert Hotchkiss. The trio will play Handel's "Largo" and a selection from Haydn's "Creation," while Mrs. Hotchkiss will play three numbers by the popular modern English composer Cyril Scott, who has recently come to America to interpret his own compositions to audiences in the larger eastern cities. Mrs. Hotchkiss, who is one of the more recent additions to local musical circles, is not only an excellent pianist but is fast establishing herself as a composer of songs.
