

THEATER IS CLOSED.

Evansville, Dec. 10.—(Special.)—The Empress theater is closed owing to the fact that Manager Frank Rabinowitz of the Regent theater purchased it from Frank A. Gumm of Grand Rapids. J. A. Jerue, who has run the theater successfully for a long time, sold the property to Mr. Gumm last Thursday. After running three shows the property again changed hands and at the present time Mr. Rabinowitz controls the only two theaters that have been operating in the city. It is stated that he will reopen the Empress shortly.
