

Central Students Review Year's Events at Banquet

Two hundred students attended a banquet at the Boys' Y. M. C. A. given by Duluth Central high school last night, to review activities of the year and to honor students who have participated in the different branches of school life. William Watson was toastmaster. Supt. J. H. Bentley, Principal L. H. Young, Coach Parkins and other members of the faculty spoke. School happenings of the year were reviewed as well as prospects for the track team which hopes to cop honors with ten letter men back in togs this spring. Several selections were given by the Peanut, Toonerville, and D. O. T. quartets. Morris Cohen gave a violin solo and Gail Foote a vocal solo. The banquet closed with school songs and yells.
