

Five More Enter Virginia Playground Tennis Meet

Eveleth, July 20.—(Special.)—Five new entries were registered today in the tennis tournament to be conducted by the playground department, making a total of 16 entrants. These five include Samuel Cohen, H. W. Pribnow, Hartley Roswold, C. V. Trimble and Norman Strauss.

More entries are desired in the Old Timers' singles, men over 40, and the women's matches, before drawings are made, H. L. McCurdy, who is in charge, states. A list of the drawings will be published Monday.

Horseshoe has been added to the list of sports on the city playgrounds. Four courts have been placed in the South Side park, one in the Roosevelt school and one in the Johnson school. A horseshoe tournament is being planned and a large list of entrants is anticipated.
