Mat-faced Duntile will soon be a common order judging from the orders which are coming in regularly.

Contractor Rautio is certainly making fast progress with the erection of the Emil Makipha residence on White street. Notice the 100% clear stained shingles for side walls and the roof. Emil believes in using the best and building but once.

Fire proof construction of Duntile for a garage we just figured cost less than the frame. Build fire out by using Duntile.

Here's the new Rent-a-Car ballad. Last night you belonged to somebody else—tonight you belong to me.

J. A. Rothman seems to be spending a lot of time at the new summer cottage since spring arrived—Joe has some layout and says he'll have as fine a place as any before long.

Fly time will be here soon and maybe you will need new screens and screen doors. We can furnish them for you and very reasonable, too.

Mason Louie Garnie is being kept on the jump these days buying up Duntile. Have you ever spoken to Louie about the advantages of Duntile construction?

High Pressure Salesman—A young lady was buying a bed. The salesman told her that she could not go wrong on what he offered. She replied that was just the sort of bed she wanted.

Tip to Scotch Undertakers burying a man with One leg—Use Upon Board for your one legged coffin.

Our hotel committee is certainly putting in some valuable time collecting the pledges. Everybody should push with all their might to put this over, as we need a hotel as much or more than anything else. You should hear the traveling public they know our wants more than we do ourselves. Let's quit knocking and boost. Ely's our town and outsiders tell us it's the best on the ranges.

Got a little spare time that's hanging heavy on your hands these days? It will pay good dividends later on if you'll devote these idle minutes to the needed odd repair jobs. How about that fence?

Farmer (to druggist)—"Now be sure and write plain on them bottles which is for the Jersey cow and which is for my wife. I don't want nothin' to 'appen to that Jersey cow."

MULE-HIDE Roofs—tuff and stronger—wear longer.
