### OUR CREED.

To be obliging, courteous and fair to our customers; to always render full measure of service to each customer; to never forget that our customers are responsible for our success; to always bear in mind that the man with the mule is the man worth while.

Remember winter is just around the corner. If your roof leaks, now is the time to see us for an estimate on a new MULE-HIDE ROOF.

The residence being constructed in Pearson's Addition by the J. N. Rantia builders is nearing completion. This job was started on Oct. 9th and by the 15th of November should be completed. Mat-Glazed Duntile helps make such progress possible, for these reasons: The same man does the plastering inside that did the masonry construction; no exterior painting and besides it is a fire-safe home to live in.

Our cat was not hygienic. So we kicked him off the place. Because he spat upon his feet.

If you have any drafty windows or doors, come in and get some of our fine weatherstripping. It will stop that waste of fuel as well as those pneumonia making drafts.

No matter what you want fixed, call us. We're "fix-up" headquarters.

Yes, Adam was the only man who could be sure of his wife. Adam was the only man.

And now comes Armistice Day. Remember 'way back nine years ago what a grand and glorious feeling you had when it was broadcast that an armistice had been agreed upon. Can you recall anything that made every fibre tingle as did that message, bringing to an end the terrific strife for supremacy? Have you ever stopped to count noses and see how many of the boys are still here? Each year sees the ranks dwindle. We wonder how many of those fellows favor war as it used to be. Look into the Legion's proposed new draft law, and then all your favored congressman what you think. This law or one in close harmony to it, will do more to prevent war than all the belly-booing of our diplomats.
