AGENT AASE TALKS TO COMMERCIAL CLUB ON 4-H. County Agent H. Aase of St. Louis County was in the city Tuesday evening and met with the directors of the Ely Commercial Club to talk over the benefits to be derived by having a 4-H club in this section. He recommended that local business men sponsor a turkey club among the young people of the outlying districts. He came to the conclusion that poultry clubs would fit in very nicely here. This conclusion was arrived at after a visit to the farmers in the White Iron district and across the lake from Ely in the Whiteside district. The directors were very favorably impressed with the matter and President Newgard will appoint a committee to perfect details on the plan.

The results from the special services held in the Methodist church by the Rev. Alfred Sturgeon, were very satisfactory. For three weeks, the meetings grew in strength and helpfulness and during the last few days the church was filled with interested listeners and though the preacher talked at least one hour every night, no one noticed the time. On Sunday morning last 36 new members were added to the church roll, sixteen of them being adults and twenty boys and girls. Nine were baptized. Five more ready for baptism were not present owing to illness. Mr. Sturgeon left Monday for his home in Waco, Ill.

Wisdom From Longfellow. Look not mournfully into the past—It comes not back again; wisely improve the present—it is thine; go forth to meet the shadowy future with- out fear, and with a manly heart—Longfellow.

Human Vocal Cords. The length of the vocal cords of man is estimated at seven-twelfths of an inch. This is a factor in the pitch of voices. It is highly probable that a slight difference also exists between bass and tenor, and between contralto and soprano, but it is difficult to measure with sufficient accuracy.
