### Colorful Dance Program at Winton Resort This Week.

The regular Friday dance will be held at the Winton Resort this week, when Ducky and His Rhythm Hoopies, with a brand new repertoire of the latest popular dance hits will furnish the music. This band proved to be a real hit at Virginia last week. Playing before a crowd of 4,000 people the Rhythm Hoopies was the only one of the nine bands at the dance, called back to play an encore number.

Sunday night something entirely new will be introduced to the dance fans. A "Spot Light Dance," something new and novel will be introduced in this vicinity. Five prizes will be awarded. The "Spot Dance" is taking the fans everywhere by storm and should prove to be a real hit here.

A brief explanation: There will be five numbers painted on the dance floor. Five times during the evening when the band stops playing, the couples will scramble for these numbers and the couples that are on the numbers will be given a draw. The couple that pulls the lucky number will be given a prize. Five big prizes will be awarded. An invitation is extended to everyone to enjoy a real evening of fun at the Winton Resort.
