

## Ronald Brill

*Oct. 30, 1954 ~ Jan. 25, 2025*

Ronald Brill, Tampa, FL, passed away in his sleep on January 25, 2025. Son of the late Walter B. and Margaret M. Schwartz Brill, he is survived by his wife, Rosanna Verdi-Brill; daughter, Francesca Brill (Avi); grandchildren, Alesandro and Sophia; sisters, Toby Brill, Susan Brill Schreck Greer, the late Sandra Brill Berg (Thomas A.); nieces, Aeron Beth Berg (Brad), Lisa Margaret Berg, Amy Lynn Berg, Margie Schreck Gross (Simcha), Michael Schreck, Robert Schreck, Eli Greer, Rachel Greer, and Pinchus Chaim Greer and their spouses.

Ron served as a US Naval Officer and was graduated from the University of Minnesota with a BA. He then completed two Masters degrees in Florida and taught computer assisted drafting (CAD) in the Florida High School and College systems. He was out in front - as now days, ask any young person what their profession is and it's more than likely IT will be the response.

From the time he learned to read, Ron was a life-long lover of literature. An avid reader, anything about history, space and trains was top of list. Ron knew his own mind. He had firm principles – and, the right ones. He expounded them clearly, and acted decisively. He was quick to tell you why something was awry and equally quick to offer praise.

During these past two years, Ron realized he was granted more time, and he was all in. Never baffled, disoriented or overwhelmed-instinctively, he knew his course - he exemplified grace under pressure. Ron has left one beacon to guide us that he never had-his example. Shalom Chaver.
