Hard to believe it has been three years since Marsha passed away; and she would have turned 78 on July 17th.

I miss hearing her voice on the phone when we would talk and catch up with each other. She was such a sweet and caring person.

Love,
Judy

I was a classmate of Marsha's from U City. In our early to mid 20's we would meet at Reuben's in the evening for drinks and to enjoy a 2-piece band called Dichotomy. The group included Morris Levine, Margie Schenberg, Terri Rich, Larry (Butch) Galine, Marsha and me.

Unfortunately, all of these friends are gone now, but I still have the wonderful memories.

Gerry and family: I am so sorry about Marsha. We will all miss her. I will remember the good times; especially when Gerry and Marsha would come over to St. Louis and meet the family for lunch and we would look at their recent pictures from their many cruises. The picture below is one of my favorites. Hard to believe it has been 12 years since Wally passed away. Love, Judy
