*..... I J I S .....*  
Anshe Sholom in Lakeview. I enjoyed working with him. We both took comedy seriously and would discuss the essence of comedy. I can't believe he died. I am saddened. I miss him. He was the sort of person who knowing he was out there and I might run into him made life a richer and happier place. His memory is an Aliyah!

*I have two memories that are surfacing right now. One was of Joel making cheese sauce for nachos shortly after you guys moved across Shaker, and another was longer ago.... finding out that our mothers had the same hospital room for their third children!*

*My heart goes out to all of you. May Joel's memory be for a blessing to you and to all who had the privilege of knowing him.*
