Hal was such a great person! I've known him since we were little kids. If you needed help with something, Hal would be there. Hearing of his passing has made me very sad. Rest In Peace Hal. You were a great friend.

My condolences go out to the family. Hal was the real deal. He was smart, humble and fun to be with. Hal (and his sisters) opened me up to a whole new world of music still with me to this day. 10cc, Bob, Todd and more.

Thank you for the memories Hal and for always being a mensch. G-d bless you.

---

I hope you're happy and feel lots of love where you are. Linda Kessler Wax

Hal, We lost so much.

Giant Halloween chocolate bars! Doll Head Car Antennas. T-Tops and Dumb Cops! Backstage passes. I was remembering our Lilac Raids today.

Every memory brings a smile. This really hurts. I hope you're happy and feel lots of love where you are.

Hal, you were my sole light in a very dark place. Thank you for always being your pure self. You were one of a kind, and it fit you so well. Thank you for never compromising. Many of us have learned so much from you. With love,

So sad and sorry to hear about the passing of my old and dear high school pal Hal Juster. Great memories of driving to school listening to Elvis Costello and the Cars on the radio and marveling at his wizardry of electronics. One of those guys who would give you the shirt off his back. My sincere condolences to the family.

Hal & I worked together in Glendive, MT. He was this genius who came in and completely renovated the TV station. The locals weren't sure how to take us, but they respected his intellect. It was the best time of my life. I hope Heaven is ready for an upgrade, because he's the one to do it. Love ya buddy.

Hal is my best friend. We have been for over 40 years. I enjoyed a great helicopter ride up to a glacier in Alaska with my two favorite men. Hal and my husband. He worked so hard and rarely took time away. It was beautiful at the top of the world. Fly away my friend.
