“ I had the fortune of knowing Elaine and spending time with her through the years in a variety of social settings.

Elaine was truly a beautiful person..Articulate, expressive, sensitive, caring and generous. She was so apt at making a person feel comfortable and welcome; she demonstrated an interest, asked questions, reflected, sought out opinions, feelings and thoughts.

Elaine had a talent for inspiring others to open up and share. She was sincerely interested in others' views and perspectives..

What a gracious lady! How well I recall the numerous dinners at the Hopkins' home...She did put on a 'spread' for sure, but what was really significant were the ambiance and atmosphere she evoked...one of warmth and love toward her family and guests.

Though it has been many years since I spent time with Elaine, my memories of her remain vivid and are filled with fondness.

I know this may sound kitchy, but the world truly needs more Elaine Landys.##imported-begin##Louise Kantrowich Yim##imported-end##

“ Rochelle and Jim,

Our sincere sympathy on the loss of your mother, she was a great lady. I have fond memories of your parents (bowled many years with your dad) and how they helped me when I was starting out in my business career. She truly was one-of-a-kind who will be missed by all that knew her.##imported-begin##Jeff Herstein##imported-end##
