“ *Dear Rochelle and family~~My heartfelt condolences at this very sad and difficult time of Jim's passing. I will forever remember Jim as the quintessential family man, a person of character; thoughtful, caring, sensitive and kind. With a wonderful sense of humor, Jim always had a quirky remark or a funny story to tell. He proved to be an apt writer, as well. His published article about the adoption of the homeless cat with whom he had a special relationship was beautifully poignant. Jim will truly be missed by all.*
