

Lynne Lent

Apr. 30, 1955 ~ Apr. 02, 2025

Lynne Michelle Lent, died peacefully on April 2, 2025, surrounded by her family. Born on April 30, 1955 in Cedar Falls, Iowa, she was a proud mother of three boys, a dear friend to many, a loving daughter, and a devoted sister. Lynne showed her love of helping people by working as an occupational therapist at Anoka-Hennepin School District, and by retiring after having children to support them through their own schooling.

The Jewish principal of Tikkun Olam (repairing the world) guided every part of her life after her conversion. She had a positive perspective for every situation and person. She would make the world a better place every day with her kindness to strangers, and her deep love of her family, friends, and charity. She always made sure to stay well informed and was the first to speak up when someone was being mistreated. There is nothing she would not give to someone she loved and would prioritize family time above everything. She was famously curious about everyone around her, making friends with strangers anywhere she went, deeply inquiring about their lives and cultures. She had a particular love for Japanese and English culture, even completing a foreign exchange student program in Japan. She cherished travel, nature, literature, and classical music, having spent years training and performing violin in a classical orchestra.

Lynne is preceded in death by her parents, Robert and Glenyce Butschy. She is survived by her brother, Ross Butschy; her ex-husband, Mike Lent; her sons, Thomas (Erin) Lent, Aaron (Hannah) Lent, and Daniel Lent; grandchildren, Bergen Lent, and Blakely Lent. Memorial Service 11:00 AM WEDNESDAY, April 9th at BET SHALOM, 13613 Orchard Rd, Minnetonka and also on zoom www.hodroffs.com/LynneLent
