Aunt Diny loved babies, she enjoyed being around all of the kids, she loved to feed the ducks and watch the birds, Diny liked to go up the hill and gamble with her mom sisters and brothers, her laugh was contagious and she always put a smile on your face. Aunt Diny was a flirt especially if you had a beard! She spent her life taking care of others, she did everything for everyone before herself. Diane Meister was survived by three sisters Lu, Sue and Julie and two brothers Brad and Chris and so many nieces and nephews. Aunt Diny loved Everyone and found the good out of everything! She was inspiration for many. Her happiness was found in the little things in life. Aunt Diny was the true deinition of UNCONDITIONAL Love. She will be forever missed until we meet again.
