

Edythe Misel

Nov. 29, 1932 ~ May 27, 2026

It is with deep sorrow and fond memories that we share the passing of the resilient and courageous Edythe Misel, who left us on May 27, 2026. Born Edythe Fischbein in Minneapolis, MN, on November 29, 1932, she met life's challenges with resilience, style and strength, embodying the spirit of a loving mother, dedicated professional, and an unfailing pillar of strength to her community. As a thoughtfully observant Jewish woman, Edythe instilled her faith into her life, nurturing traditions and customs with unwavering devotion. She lived her life by the Jewish verse from Proverbs, "She is clothed with strength and dignity."

Edythe is survived by her son, Harry; daughter-in-law, Lauren; their children, Zoe and Evan; and her daughter-in-law, Dorian (Cory's wife); and their son, Trevor. She was preceded in death by her parents, Anna and Louis; her first husband, Hillard; and their sons, Cory and David; and her second husband, Irving Misel. Edythe's life was a testament to her love for her family and her enduring spirit. Even in the face of loss, she stood strong, taking over and running Hillard's advertising agency as a thriving business. She and Irv hosted unforgettable 4th of July parties on Lake Minnetonka. In recent years she even moved to Mercer Island, Washington, to be closer to Harry's family and their children. Her hobbies, such as gardening, playing cards, and Mahjong, brought her joy and allowed her to share precious moments with family and friends.

A funeral service to honor Edythe's life will be held on WEDNESDAY, June 3, 2026, at 10:30 am CDT at TEMPLE ISRAEL, 2323 Fremont Avenue South, Minneapolis, Minnesota, also available via Zoom (link below). Shiva will be held at 7pm, Wednesday, at Loring Green West Party Room (16th Floor) located at 1235 Yale Place, Minneapolis, MN. Prior to the Shiva service you are invited to join the family for dinner beginning at 5:30.

Her life was a testament to the power of love, resilience, and community, and she will be deeply missed. In memory of our beloved Edythe, we encourage everyone who knew her to visit her memorial page. Please share your cherished memories and upload photos that capture the essence of her radiant spirit. Through these shared memories, we can celebrate Edythe's life and the extraordinary woman she was.
