Douglas Jay Mogelson, age 51, of Mendota Heights, was born June 18, 1973, in Saint Paul, MN, and passed away suddenly on December 28, 2024. He was a loving and beloved husband, father, son, brother, uncle, son-in-law, and friend. Douglas graduated from Highland Park in 1991 and Augsburg University in 1995. Soon after, he happily went to work with his father Ronald at Northwest Insurance Brokers. Douglas loved working with Ronald. He valued family and friends more than anything. Everyone that he came in contact with felt his love of life, his witty sense of humor, and the warmth of his bright light.

In 2001, Doug married Megan, the love of his life. Doug's family meant everything to him. His wife, Megan, and their sons, Abe, Max, and Sol, were the center of his world. He thought of them constantly, and every moment was dedicated to loving and caring for them. His devotion extended beyond his immediate family to include his mother, his great-aunt Jeany, his sister Lisa, and his niece Rachel and nephew Seth. Doug's love was so deep and enduring that even the smallest interaction with him left a lasting impression.
