(Mildred) Mae NESSELL

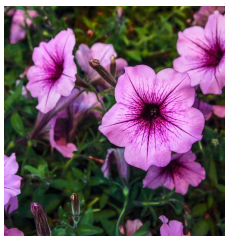

OBITUARY

Died peacefully in her sleep, on Sunday, March 9, 2014 in Ft. Lauderdale, Florida, at the age of 89. Mae was born in St. Paul, Minnesota to Walter H. Parmenter and Rose A. (Warmbold) Parmenter. She graduated from Mechanic Arts High School where she was a drum majorette who appeared in several St. Paul Winter Carnival parades.

For many years Mae worked at the St. Paul Union Depot as the assistant to the Station Master. She was very active in the local and national Railway Business Woman's Association, where she held the office of President as well as other offices. While employed at the depot, she met Harry Nessell who was selling communication equipment to various railroad companies for Bendix Radio Corporation. They were married in Kauai, Hawaii in 1958, and later returned several times to their beloved Kauai. When Harry's company merged into Allied Signal they moved to Ft. Lauderdale where they lived for the last 45 years. Mae enjoyed the warm weather of Ft. Lauderdale and the many visits of relatives and friends. She was always

kind and sensitive to the feelings and needs of others and always woke up with a smile on her face! Mae, a dancer in her early years in St. Paul, rekindled her love for dancing by joining a Hawaiian dance group in Ft. Lauderdale. This group performed for many events and in Nursing Homes and Hospitals for many years. Her husband, Harry, operated their music and lighting for these events. Mae's husband, Harry, preceded her in death in 2012. She was also preceded by her mother, father; and sister, Ruth Baker. Mae is survived by her brother, Wallace Parmenter; her nephew Scott Parmenter; her niece, Jeanne Baker; and her nephew, Greg Baker. Also, by Harry's nephew by marriage, Eric Apperman; and Harry's niece by marriage, Henrietta Music. Mae and Harry will be reunited for eternity as their ashes are scattered together on the island of Kauai, where they were married.
