David lived in Palo Alto almost his whole life, since before 1956 at 740 Gailen Ct.

He Married Ava Norman and they had four children Ronnie, Bobbie, Linda, and the youngest Russell. David had a Dog named Rex and David used to throw Birthday Parties and Play Musical Chairs. He drove the young girls home from the Birthday Parties.

The first three children Ronnie, Bobbie, and Linda, all moved out and got married and had grandchildren. Linda and Hal used to bring the grandchildren Andrew and others by to See their grandfather and they used to go for walks around the block.

Russell never moved out of the House and he became quite an accomplished Piano Player. Russell's Music was "Magic " at an Early age and he even took some Piano lessons from Mrs. Keystone, 722 Gailen Ct. Later Russell began to give Voice, Singing, and Opera lessons to rich clientele who came to see him. He had the chance to marry a very well off to do beautiful female , in a white BMW 7 Series , once or twice a week, and she practiced singing to Russell's music at Russell's Home.

I don't know why he didn't. He didn't touch her. She was on her way to a famous singing career in Opera.

Good Times passed.

David was old now and had a lot of grandchildren.

Years went by and David was diagnosed with Parkinson's Disease. He battled it on his own, then got a Caregiver and used to go around the block in a wheelchair and ask everybody

"Where do you Live?" " and talk about his Son "Rusty" his nickname for Russell.

David Norman was a Beloved Husband, Father, Grandfather, and Great-Grandfather.

His family was mostly a generation ahead of ours, Ronnie, Bobbie, and Linda.

Russell was the youngest.

Years Back, he rigged up his property with Bay Alarm and all these lights. The lights were aimed at the house from the edge of the sidewalk to the roof to trap and kill the burglars that went in it. It was 'that's too bad'.

You can't even park in front of his house without the lights going off in trapezoid fashion.
